LUBRIKO®

80W90LS GEAR LUBE

Description

Lubriko® 80W90 Limited Slip Gear Lube is a high performance, multipurpose automotive gear lubricant specifically engineered for use in passenger cars and light-duty trucks with limited-slip differentials. Formulated with state-of-the-art selected additives which protect automotive gears operated under the most severe conditions, the extreme pressure properties that **Lubriko® 80W90 Limited Slip Gear Lube** exhibit makes it the perfect choice for limited-slip differentials, axles, and final drives requiring the severity of gear service, API Service Classification GL-5.

Typical Properties

Flash Point, (COC) °C	210
Pour Point, °C	-28.9
Viscosity, cSt @40°C	130.0
Viscosity, cSt @ 100°C	14.2
Viscosity Index	108.0
Copper Corrosion Rating	2
Foaming Tendency	Pass
Gravity, API	26.5
Timken OK Load, Lbs.	60

Applications

- Initial fill, top off, and refill of all passenger car and light-duty truck conventional and limited-slip differentials where SAE 80W90 or 85W140 limited-slip gear lubricants are recommended.
- Limited-slip differentials, axles, and final drives requiring API Service GL-5.
- Passenger cars, on-highway passenger light and heavy duty trucks, construction vehicles, buses and farm tractors.

Product Features

- Excellent frictional properties
- Resistant to high temperature oxidation
- Year-round operation
- Excellent rust & corrosion properties
- Effective at low temperature
- Good anti-foaming characteristics
- Long service life
- Compatible with typical automotive seals & gaskets
- Conventional & limited-slip differential capabilities
- Protects gears against wear & scuffing
- Outstanding thermal stability
- Multi-Viscosity
